Seminar Descriptions*

Listed below are some of the seminars Lazydays® offers. Please reference the current month's seminar schedule for availability.

Air Conditioning Care & Maintenance (by Mike Willett)

Learn about the proper operation, maintenance and basic troubleshooting for your air conditioner system.

Keep Your RV Working (by Mike Willett)

Learn tips about annual maintenance for seals, roofs, batteries, inverters, refrigerators and much more. Discover what discount packages the Lazydays Service Department is currently offering.

Apps - What Are They? (by Sam Matzen)

Come join Sam Matzen in a question and answer seminar on applications available for making RV traveling easier. Share your favorite apps with others.

RV Electrics (by Mike Willett)

Learn everything you want to know about inverters, converters, alternators, solar and batteries.

Convection Microwave Oven (by Max Perez or Philip Bryant)

Receive valuable cooking tips for your Sharp convection microwave oven.

(DIY and Q&A) Do it Yourself (by Ernie Herring)

Join Ernie to learn how you can troubleshoot topics such as installing a new faucet, cleaning the A/C filters, using a volt meter, tools to have handy, cleaning a refrigerator burner tube and more.

(FRVT) Fantasy RV Tours (by John & Gayle Brennan)

Travelogues featuring great RV destinations.

- **RVing Alaska** - This big screen travelogue features RVing America's Last Great Frontier, the Kenai Peninsula, Denal NP, Mt. McKinley and a wildlife lover's dream with bears, moose, wolves, and bighorn sheep.
- **Canadian Maritimes** - Big screen show featuring four provinces; Nova Scotia, New Brunswick, Prince Edward Island, and Newfoundland. See the exclusive International Tattoo Event.
- **Greatest RV Rallies** - Albuquerque Balloon Festival, Calgary Stampede, Pasadena Rose Parade, Washington D.C., New York City, big screen travelogue of our most popular rallies. These rallies include RV sites, escorted side trips, Broadway shows and much more.
- **Polar Bear Express by RV & Tundra Buggy** - Up close with Polar Bears! Featuring their fall migrations to Hudson Bay, Manitoba, Canada. Learn about travel options by RV, train, plane, and tundra buggy.
- **Western National Parks by RV Caravan** - Fantasy's big screen travelogue features a visual trip to Death Valley, Four Corners, Monument Valley, and Arches National Park, the gorges at Zion and Bryce, and the magnificent Grand Canyon.
- **Baja Whale Watching RV Caravan** - Moonlight beach camping, walks on the beach, local colors, and of course, see and pet the whales. This Fantasy RV Caravan is a trip of a lifetime.
- **Autumn in New England** - Follow the brilliant fall colors as we take you from Mystic Seaport to Niagara Falls. Become part of the history and beauty of radiant New England.
- **Grand East Coast Caravan** - Savor the sights and sounds of the East Coast from the comfort of your RV. From Maine to Florida, lobsters to space shuttles, Fantasy RV shows you why this is truly a "Grand East Coast Caravan".

Insurance 101 (by Judy McNab or Brenda Straughn)

Learn the basics about RV insurance and have your questions answered by Lazydays RV insurance expert Judy McNab.

Internet 101 (by Samuel Matzen)

Learn about RV-based internet connection options, including phone lines, cable, DSL, wireless, cell phone (air card) and satellite. Topics include internet connectivity, internet security, how to protect your sensitive information and how to thwart hackers, spam, sniffers and phishing attacks.

Lazydays.com (by Jordan Leonard)

Find out about the fun features and insightful information available on the new Lazydays website, including simple ways to search for your dream RV.

Personal Safety & Keeping Out of Harm's Way (by Ben Tillis)

Reduce your risk by adopting ways to protect yourself from potential dangers.

RV Fogged Windows - Replacement or Repair? (by Richard Rainey)

Learn what causes fogged windows and the ways you can tell if a fogged window in an RV needs to be replaced. Discover how our Window Shop may be able to repair it in less time and at a lower cost than replacing the whole window.

RV Renovations & Remodeling (by Troy Brown)

Come and explore the myriad of ways you can change the look and feel of your RV without breaking the bank.

RV Site Hookups (by Ed Cowan)

Learn how to hook up water, sewer and electric, including leveling the unit, different types of adapters for hookups and more. Participate in a question and answer session.

Tire Safety, Care & Prevention (by Troy Brown)

Learn how to protect your family and RV from blowouts and tire failure. Receive information on nitrogen fills, tire pressure monitoring systems, increasing RV tire life and more.

Your Chassis (by Jeff Bartalucci)

Learn about the different chassis on which RVs are built and how to maintain the chassis component. Topics include diesel, gas and towable, brake systems and engine maintenance, necessary tools and how to service your chassis are also covered.
